

Financial tear sheet

Caring about our shareholders

- When we care for our Company, our Customers and our Associates, we know that our Shareholders receive the best results.
- We've built a strong reputation on Wall Street with our excellent track record, superior balance sheet and our unique ability to identify and capitalize on market inefficiencies.
- At Lennar, we have always placed a primary focus on the Lennar "process."
- On a daily basis, our Management Team is hands on and focused on core operations. From our daily Plant Meetings in each Division, to our quarterly Operations Reviews across the country, we are continuously reviewing and re-reviewing the environment.
- From our daily Plant Meetings in each Division, to our quarterly Operations Reviews across the country, we are continuously reviewing and re-reviewing the environment.
- And through our discipline of Review-Do-Review we are constantly adjusting our business and adapting our operations to changes in the market as they present themselves.
- As we look ahead, the Associates of Lennar will continue to work diligently to be properly positioned for the future.
